

Overview

This five-compartment tray can be used on its own or with Hot/Cold Meal Trays or [Flex T](#)ray. With this system you can pre-assemble cold foods and hot foods, transport them separately and combine the trays upon delivery. Using the 2-in-1 system allows up to 7 compartments for separate food servings, ideal for menus accomodating meals with multiple components. This is also ideal for dining halls where students or patrons can carry two courses at once!
