

Overview

Arm & Hammer™ Deep Clean Stain Formula Laundry Detergent Power Paks deliver a powerful clean with advanced stain-removal performance. Each pre-measured pak contains concentrated pH Power Technology with millions of ionic micro-scrubbers that lift and strip away dirt trapped deep between fabric fibers. The result is cleaner, brighter laundry with a long-lasting **sparkling clean scent**.

These convenient Power Paks dissolve fully in **any water temperature** and work in **both standard and high-efficiency (HE) machines**. With no measuring or mess, they're ideal for correctional facilities, healthcare environments, hotels, and high-volume laundry operations.

Perfect for heavily soiled uniforms, towels, linens, and everyday clothing, each pouch contains **44 Power Paks**, providing reliable stain-fighting performance load after load.

Features:

- Deep-cleaning formula removes tough sweat, dirt, and stains
- pH Power Technology with micro-scrubbers for advanced stain removal
- Fresh **sparkling clean scent**
- Pre-measured, mess-free single-dose paks
- Fully dissolves in all machines and all water temperatures
- Effective odor-eliminating performance
- Ideal for correctional, institutional, and commercial laundry programs
