

Overview

Arm & Hammer™ Free & Clear HE Powder Laundry Detergent delivers powerful cleaning performance without the use of perfumes or dyes. This dermatologist-tested formula is ideal for sensitive skin and effectively removes even the toughest stains while keeping fabrics bright and fresh.

Enhanced with **natural baking soda**, it neutralizes odor for fragrance-free freshness. The powder dissolves quickly — even in cold water — making it perfect for high-efficiency and standard washing machines alike. Safe for both colored and white fabrics, this formula is also septic-system friendly, making it a reliable choice for correctional and institutional laundry programs.
