

Overview

Blue box cover for chain-style handcuffs is made of reinforced ABS and steel. Keeps handcuff keyholes covered for top security during transport or detention. Double locks can be activated from outside of box. Accepts CTS Thompson, Peerless as well as other NIJ certified handcuffs. The new design allows handcuffs to be preloaded into box before being put on prisoners.

Blue Box Cover for chain-style handcuffs accommodates handcuffs and leg irons. It can be used on leg irons by putting one box on each cuff of the leg iron and securing it with padlocks. Accepts most standard chain handcuffs, oversized chain handcuffs, and leg irons (with one box on each side). Handcuffs or leg irons not included. Weighs 4.6 ounces.
