

Overview

- Smart Foil
- Fully Washable
- Twist Cap
- No Plug Required – Uses AA batteries

Unique foil pattern captures hairs growing in different directions. Braun M90 comes with a twist cap which not only protects the foil when not in use, but also acts as a handle extension for a comfortable grip – allowing the shave to be more comfortable and precise. The Braun MobileShave is fully washable under running water. So easy cleaning follows easy shaving. Powered by easily replaceable batteries, the Braun MobileShave is ready to shave wherever you are. Batteries included. 60 min running time.
