

Overview

The Charm-Tex Stainless Steel Cell Mirror is engineered for institutional and correctional facility use where durability and safety are critical. Featuring an 18-gauge stainless steel one-piece stamping with raised frame, this tamper-resistant mirror withstands abuse and provides a reliable reflective surface in secure settings.

Tamper-resistant, highly polished 18-gauge stainless steel mirror is crafted for use in harsh environments. Durable one-piece stamping with the raised frame. Easily cleaned with a damp cloth.

Standard: 9 1/2" x 11 1/4" x 1/4"
