

Overview

Keeping your food items or cleaning products off the floor is important, so outfit your storage area with the aluminum dunnage rack. Its high weight capacity makes it ideal for holding heavy bags of potatoes, flour, or rice.

- Perfect for use in coolers and freezers
- Heavy-duty aluminum construction
- Keeps product organized and off the floor
- Promotes air circulation to prolong product life

Size and Capacity :

- 48" x 20" x 12" - 1685 lb. capacity
- 48" x 24" x 12" - 1780 lb. capacity
