

Overview

Comfortable, water-resistant, ultralight, and practical, these multi-purpose EVA clog-style shoes have all the amenities you can ever want in an inmate shoe. Features a super thick non-skid sole making them long-lasting and extremely durable. The alpha sizing helps reduce inventory by mainstreaming numerical sizes into less size requirements. Each shoe has the size stamped in four convenient and visible locations allowing you to identify the shoe size quickly and distribute inventory accurately and efficiently.
