

Overview

This Damascus Protective Gear FlexForce crowd control system is specifically engineered for use by law enforcement and military personnel. The suit features 3 millimeter Electrum hardshell panels on the front and back, along with shock-absorbing Protium foam. Every part of your body is effectively protected as you wear this tactical suit.

- Each piece of the suit fastens and adjusts quickly with durable nylon straps, velcro, and quick-connect clips which allow each individual a custom fit
- Lightweight and ranks highest in easy to put on or take off in a moments notice
- Polyester mesh lines the inside of the upper body and shoulder portion which offers comfort and breathability for long term wear

Does not include gloves and helmet.

The **FlexForce Modular Hard Shell System** is the ultimate high-threat level domestic disturbance, and cell extraction suit. The FlexForce™ design provides substantial protection from blunt force trauma without sacrificing the fit or comfort. The suit is lightweight and ranks highest in easy to put on or take off in a moments notice. The front and back hard shell panels have a modular flex design allowing for all shapes and sizes to fit comfortably with out sacrificing much needed mobility. The forearm guard offers a much more comfortable elbow portion of the pad, which allows more flexibility. The knee/shin guard has a non-slip surface, which keeps you planted in position.
