

Overview

Place labels on the tray to help identify special diet meals from the general population. Includes: Low Sodium, Kosher, Halal, and Other, or use the alternative diet label which includes: Cardiac Diet, 2200 Diabetic Diet, 2500 Diabetic Diet, Lacto Ovo Vegetarian, GI Soft, Allergy, & Other. When finished, place the container in the dishwasher where the label completely dissolves, leaving no paper or gummy residue.

- Quantity: 500 labels per roll
