

Overview

The Centurion™ Knee Pads feature half-inch, high-density foam, covered in Cordura® nylon for rugged durability. The pads wrap around and secure to the leg with two elastic straps and a hook and loop closure. One size. The polyurethane thermoplastic nonslip caps with color-keyed grommets provide additional shock absorption and ensure long lasting wear in the field. Dual hook and loop fastened 1.5 in. (3.8 cm) wide elastic straps with reinforced bar tacking provide a comfortable and secure fit.
