

Overview

The Hook Max is a ligature-resistant hook that releases at maximum 10lb load. Once released, the hook bends, forcing ligature to slide off, and then retains its shape. Installation hardware is not included.

- Ligature resistant hook made of PC/ABS (core) and TPU (outer piece)
- Dimensions: H 2.05in x W 1.24in x D .85in
- 360° Release at maximum 10lbs
- Resistant to alcohol and most detergents
