

Overview

This pesticide-free lice treatment uses powerful natural enzymes to remove lice and their eggs in a single application. Safe for all ages and non-toxic, the foaming formula helps dissolve the nit glue for easy comb-out—no harsh chemicals, no second treatment needed. Great for schools, shelters, correctional use, or anywhere safe head lice control is needed.

- 1-gallon container with pump
- Kills lice and loosens nits in 30 minutes
- Non-toxic and safe for repeated use
- Does not contain the chemical pyrethrin
- Enzyme-based formula (no pesticides)
