

Overview

This outdoor **Basketball** is built for serious play, indoors or out. With a **soft, tacky composite cover** that mimics the feel of a premium game ball, and the **durability of a rugged outdoor model**, it's the perfect choice for high-performance recreational use.

Designed in **Official Men's Size 7 (29.5")**, the Legend features **symmetrical panel construction** for a consistent bounce and balanced feel across the entire surface. The **engineered rubber cover, sponge backing, and skived channels** provide excellent grip and control, while the **butyl bladder** ensures long-lasting air retention.

- Durable rubber composite cover for indoor/outdoor use
- Symmetrical panel layout for consistent feel and bounce
- Sponge backing and skived channels for game-like handling
- Butyl bladder for maximum air retention
