

## Overview

**Oversized Inmate Pants** are engineered for correctional and institutional environments where durability, fit, and security come first. Designed with a **full-cut oversized pattern**, these pants comfortably accommodate a wide range of body types, providing ease of movement, uniform appearance, and long-term wear. Made from **7.5 oz. industrial-grade twill fabric**, they stand up to repeated heavy-duty laundering while retaining structure, size, and shape.

Built with a **slip-on style elastic waistband**, **heat-resistant woven elastic**, and **no-pocket design** for security compliance, these pants offer the perfect combination of comfort, durability, and institutional safety. Reinforced stitching, bartacked stress points, and standardized 32" inseam deliver long garment life and consistent fit across large facility populations.

### Industrial-Strength Fabric Construction

- Made from **7.5 oz. heavyweight twill**, proven to withstand long-term institutional wear.
- Chlorine-resistant and tested to meet **ASTM colorfastness standards**, maintaining shade, strength, and appearance over time.
- Designed specifically for inmate population use — rugged, comfortable, and long-lasting.

### Secure No-Pocket Design for Facility Compliance

- **No side or rear pockets** — eliminating the ability to hide contraband.
- Supports quicker, more efficient pat-downs and security checks.
- Matches facility-compliant standards for high-risk correctional populations.

### Reinforced Stitching & Structural Strength

- **Triple-needle stitching** on all seams using **bonded dual active thread** to allow seams to stretch without tearing.
- **Bartacked at all stress points**, including crotch and waistband, for maximum garment life and institutional service.

### Full-Cut Comfort & Elastic Security Waistband

- **Heat-resistant 1.5" 26-gauge woven elastic waistband** retains elasticity after repeated high-temperature laundering.
- Slip-on style with **mock fly** — removes failure points like zippers and snaps.
- **Full-cut sizing** accommodates a wide range of body types for uniform fit consistency.

### Clean, Professional Finish

- **Double-folded hems**, no raw edges, and **clean finished construction** for long-term neat appearance.
- **32" finished inseam** standardized for institutional stocking efficiency.
- **Woven color-coded size labels (2.5" × 1.5")** for fast laundry distribution and size identification.

## Attributes

Color	Orange, White
Size	12X-Large, 14X-Large, 16X-Large
Packed	6/Cs
Product Unit Type	Case
