

Overview

CT (Comfort Technology) boots are constructed from durable PVC (polyvinyl chloride) and feature a unique scalloped top-line design to accommodate flexing in the calf area, helping reduce irritation. As well as graduated boot heights that are consistent with shoe sizes for better fit and comfort. Features a seamless molded construction that is 100% waterproof. Anti-Skid™ outsole and heel with reinforced construction at critical stress points.

- Made in USA
- 16" Height.
- Color:Black
