

Overview

This versatile 3-in-1 tilting shower chair functions as a commode, shower chair, or over-toilet aid, providing maximum flexibility for institutional use. Its 30° tilt range allows for enhanced comfort, proper positioning, and improved hygiene. The padded flip-back armrests offer secure, non-slip support when sitting or standing, while the adjustable back upholstery and padded seat ensure lasting comfort.

A wide seat opening allows unobstructed access for thorough cleansing. Swing-away, detachable footrests adjust for height and angle, and the rust-resistant aluminum frame supports up to 300 lbs while remaining lightweight for easy maneuvering. Includes chest and waist straps for added safety. The easy-to-empty commode bucket reduces splashes, with optional liners for faster, cleaner disposal.

Specifications:

- Seat Dimensions: 17" D x 20" W
- Back Height: 19"
- Weight Capacity: 300 lbs
