

Overview

- From Wahl Professional's commercial grade line of products, the Essentials Combo is intended for professional use only and is designed to deliver the sharp performance that experts demand.
- Combines two great haircare products in one package. The Taper 2000 Clipper and AC Trimmer are both lightweight, ergonomically designed, and powered by electromagnetic motors, making them capable of fading, blending, edging, and more! They're the perfect choice for beginning barbers, stylists, and artists, and are sure to be staples in your shop.
- Comes with all accessories required for use. It includes 4 attachment combs for the Taper 2000 Clipper and oil, cleaning brush, instructions, and blade guards for both the Taper 2000 Clipper and the AC Trimmer.
- The Taper 2000 Clipper measures 6.25" long, weighs 1 lb., and features a 1045-100 blade. The AC Trimmer measures 6.25" long, weighs 9.3 oz., and features a 1046 blade. Each product includes an 8 foot professional-grade, chemical resistant power cord. For sale in the USA only.
