

Overview

XTRA™ Powder Laundry Detergent Paks deliver a deep-cleaning formula that removes tough dirt and stains while leaving clothes fresh and bright. Each pre-measured pak contains a single dose for consistent, mess-free use — simply toss one into the washer and let it do the work.

Designed for both **standard and high-efficiency (HE) machines**, manufactured by Arm & Hammer™ these detergent paks are **septic-safe** and ideal for correctional facilities, healthcare environments, hotels, and laundromats. Their refreshing tropical fragrance blends the scents of **fruits, island blossoms, and ocean driftwood** to keep linens, towels, and uniforms smelling clean after every wash.

Each resealable bag contains enough paks for **34 medium-sized loads**, providing a convenient, economical solution for busy laundry operations.

Features:

- Deep-cleaning formula effectively removes stains and dirt
- Works in **standard and HE washing machines**
- **Pre-portioned, single-dose paks** for mess-free convenience
- **Tropical scent** keeps fabrics smelling fresh and clean
- **Septic-safe** and ideal for institutional use
- Resealable bags of **34 laundry paks**
